EDITORIAL

We get a bulging postbag most days here at *Club* Towers. And many of the letters within say things like, 'Are your letters real?' Of course, they are, we reply. Or rather, we would reply, but we're not sure if the letters asking if our letters are real, are in fact real. What if they're made up? If they are, who's sending them? The most confusing letters are the ones asking if the letters asking if the letters are real, are real. If they're not real, we're all screwed... ♣

Dear Club,
Although I've just diddled myself with a dildo by the pool, I'm still feeling so fucking horny I've got to tell you about the threesome I had last night. I'd been planning to get fucked senseless by my boyfriend Dirk, but what I hadn't expected was that he'd show up with his mate John with every intention of spit-roasting me.

So when I opened up the door expecting to see Dirk, I was shocked to find a complete stranger standing there. "Can I help you?" I asked. He smiled wordlessly. "Is this some kind of joke?" I said.

"No joke, sweetheart," said Dirk, springing out of nowhere. "This is John. We used to live together at University. It's okay if he joins us, isn't it?"

"If you're suggesting what I hope you are, then that certainly is okay," I replied.

"Absolutely," said Dirk, "John knows about our love of threesomes. In fact, we doubled up with a girl several times back in the day."

Out in the back garden, poolside (and let me tell you, the weather might only let us use it a couple of months a year, but it's well worth it), after a couple of drinks to loosen us up, the three of us got naked and down to business. When John took off his shorts I was delighted to see that he had a sizeable dick, somewhere around nine inches long, and thick with it. I grabbed it, saying, "I want a taste of that beast," before stuffing it down my throat.

John grabbed my head, holding it in place as he started slowly pumping my mouth with his meat. Normally I would have objected to him taking control, as that's something I revel in myself. But it felt so amazing having my mouth filled to bursting with his throbbing cock that I was prepared to let him do whatever he wanted with me.

As John thrust in and out, Dirk came up behind me and started rimming my pucker. Once it was sticky with saliva, he jammed what felt like three fingers inside my arse. I responded by sticking a trio of my own digits in my dripping wet fanny. Yet even though I had every orifice filled with thrusting fingers and cock, it wasn't enough. I tapped John on his legs and motioned with my eyes that I wanted him to pull his cock from my mouth. When he did so, I turned around to Dirk and said, "As great as that feels, I want you to fuck my cunt – like now!" Then I went back to sucking John's bone.

Dirk teasingly prodded my bumhole with his cockhead. I tensed up thinking that he was going to ignore my wish and fuck me where the sun doesn't shine. He didn't. Seconds later, he slipped balls-deep into my snatch, then reached around to grab my stiff nipples and began tugging on them. Then he slowly started retracting his cock from my pussy. Just when I thought he was about to pop out of my slit, he stopped, slammed back inside me to the hilt, and then started banging away like it was the final fuck of his life. Releasing my nipples, he held me by the hips so he could drill me harder. If I hadn't have had my mouth stuffed full of cock, the ferocious way Dirk was banging me would've had me screaming for mercy, I swear. Not that I wanted any mercy. Nothing pleases me more than a hardcore fucking, especially when I'm getting it at both ends simultaneously.

I knew it wouldn't be long before

MR SHEEN

Dear Club,
Like a lot of people, I've been following the Charlie Sheen story with a mixture of fascination, horror and sometimes admiration. Yes, he's clearly lost it, and all the money has gone to his head, but he claims he's 'winning' and with all of the great fanny he's been getting, he may just be right! I saw him in the paper with Bree Olson the other day and I've seen enough of her films to know she's a hell of a shag. I hadn't seen Capri before she was in *Club* though, just seen her mentioned in stories about Sheen, but now I'm in love. She's lovely – fresh-faced, perky but clearly filthy as well. Yes, I'm convinced that Charlie Sheen is definitely winning.
Joseph, Swansea

As much as we'd like to disagree, we can't. We've seen Capri, Bree and plenty of other girls that Sheen has been linked with, and we're nothing but insanely jealous. Of course, as proud Brits we'd much rather be linked with Angel Long, Lolly Badcock and Sophie Dee, but Sheen's conquests would do, we suppose…

LAIRD DO WELL

Dear Club,
That Jenny Laird from the latest *Club* has certainly got everything in the right place. I've never been mad keen on girls with tattoos before, but Jenny's is actually quite pretty and sets off her amazing body perfectly – she's got such a tight body, those lovely tits, inviting pussy and even her arse is incredible. Get her back in the mag soon – and get her doing dirty things with Sasha and I'll be forever in your debt!
Nick, Telford

With you all the way on this, Nick. Jenny is one of the finest British girls we've come across – er, literally – in ages. As someone once said in that film about something starring someone famous, it's a bod built for sin. We're trying to lure her back, but next month we've got another amazing new Brit lined up for you…

I came. I was right. No sooner had the thought occurred to me than I felt every molecule of my being ignite with a sexual fire that ripped through me from head to toe. Trembling uncontrollably, I climaxed. As my ejaculate jetted from my stuffed pussy, my two studs upped the speed of their thrusts, and moments later spilled their loads. Dirk splattered my quivering arse while John coated my tonsils.

Being a glutton for sex, once we'd all recharged our batteries with a few more drinks, I got spit-roasted a second time. Hey, I wanted to taste my man's spunk as well as his best mate's.

Having relayed that story to you, guess what I'm going to do now? You got it – I'm going back out by the pool and dildo myself to ecstasy once again!

ROX OFF! ♣

Here's a Rox we'd love to smoke...

Roxanna, if you'll forgive this sub-lyrical flight of fancy, is here making a convincing argument for old school seduction. Leaving aside the power of a brunette fringe – something we'll deal with in greater detail at some unspecified date in the future – Roxanna has lured us in with her bestest lingerie. Yep, when all else fails, crack out the best skids and we're putty in a girl's hands.

"To be honest, I wear nice lingerie every day," confesses Roxanna. "It makes me feel special and you never know who you might meet when it'll come in handy."

Very true. And you wouldn't want to be run over by a car and have them find you in crusty grundy's, would you?

"Er, no, whatever you say," shrugs Roxanna, "I'll see you later, I've got a, erm, meeting..."

Yeah, see you love. ♣

ALBUM REVIEWS

GLASVEGAS

Euphoric ///Heartbreak \\\ (Columbia)

Statistically, if your debut LP was amazing and will be remembered for years to come, then your second effort will be the musical equivalent of pulling a tidy bird and not being able to get a hard on. Thankfully, Glasvegas have overcome the odds and have released the album of 2011.

GREEN DAY

Awesome As Fuck (Warners)

Will a compilation of live recordings from Green Day's 2009/10 tour plus DVD footage appeal to the lady in your life? If so, then die her pubes green and fuck her up the bum hole with a huge black dildo whilst listening to such classics as *She*, *When I Come Around*, and *Burnout*.

J MASCIS

Several Shades Of Why (Sub Pop)

J Mascis was the main man in early 90s grunge legends Dinosaur Jr and this is his first solo LP. A great set of acoustic songs – think a cross between Elliott Smith and Vic Chestnut only without the suicidal tendencies. Perfect for fingering nice girls to.

RADIOHEAD

King Of Limbs (XL)

The biggest disappointment of 2009 has to be Radiohead's Leeds Festival performance – they didn't exactly rip the place apart. Their first 2 albums were amazing but you can't really do anything with these songs – can't dance to them, you can't wank to them, and you certainly can't bum your Mrs to them.

PIGEON DETECTIVES

Up, Guards And At 'Em (Dance To The Radio)

Get down to the students union and sneak your way in for free. Get a £1.50 pint and make your way to the dance floor. Blag the DJ to play some Pigeon Detectives and watch the denim-clad pussy gyrate on the dance floor. Ply one of them with alcohol and she'll be all yours.

GET THE D.R.U.G.S. OUT

Club chats to D.R.U.G.S. bassist Adam Russell…

What jobs have you done in the past other than music stuff?

I always worked in food service – mostly pizza delivery. It's a perfect job for dudes in bands. My first job was at Subway. I actually worked there with City Spud, Nelly's brother from the rap group Saint Lunatics. Instead of banging babes at work, I spent most of my time smoking weed and listening to dudes freestyle rap.

Have you ever knocked the fuck out of someone?

I've only punched one person in my entire life. I was in 5th grade. We were playing basketball during recess and being rowdy little assholes. I guess I pissed the kid off because he came at me like he wanted to kill me. I punched him once in the face and he started crying. Not the best fight story but that's all I have.

Have you ever been in trouble with the police?

When I was in high school I was a destructive little shit and when I was 16 I was arrested for throwing a can through a church window. Luckily, I was young enough not to be tried as an adult and got off with a just a little bit of community service.

Where have you been that you would recommend to Club readers?

Japan (Tokyo specifically) is my favourite place on Earth. I love the people, the language, the culture, the architecture, the art, the technology; everything about it.

Please can you describe the craziest night of your life?

It's hard to pinpoint one single night as 'the craziest night'. One of the craziest I can remember was about 5 years ago in Florida, on tour with Story of the Year, Anberlin, and Monty Are I.

I don't remember the exact sequence of events but it included lots of drinking, climbing on top of the tour bus, ambushing taxis by throwing shoes at them and jumping on their hoods and roofs, climbing trees shirtless and ripping out the branches, Steve from Monty Are I fingering two chicks at the same time in the back seat of their car and then telling us about it in a shirtless monologue, watching our sound guy drink a fifth of whiskey and pass out in the front lounge of the bus and then piling all kinds of shit on him (food, water bottles, a foam wig on his head, hot dog in his mouth and a mannequin in his lap) and waking him up by turning the stereo all the way up and blasting our music and then wrapping up the night with some good old-fashioned beer vomit. We captured most of it and put it in the *Story of the Year: Our Time Is Now* DVD.

What sort of women do you go for?

Tall, hot, intelligent with dark hair & nice boobs.

Where is the most random place you have had sex?

I had sex on the hood of a car in front of my parents' house once. It was 3:00 AM, so I wasn't in too much danger of getting caught but it was still pretty scary.

Have you got any little fetishes you can tell us about?

I like to fuck nuns.

Ever been caught having a wank?

Of course. I live in a tour bus.

Have you ever shagged a fat bird and was it good fun?

I'm afraid so. And no, it was not.

The video for your new single has a very attractive young lady in it wearing only stockings – did you get a hard on during filming?

No one other than Craig & the director were allowed in the room during the nude scenes.

Did any of the band get to shag her backstage? Did anyone have a pop?

No one in the band got to hit it.

Cheers Adam. Keep on shaggin'.

ON THE GAME

Homefront

(THQ)

Xbox 360, PS3, PC

★★★★★

Such is the preposterous kneejerkiness of the story here – The US has collapsed and is being occupied by the North Koreans – it could only have been penned by right-wing rabble rouser John Milius (*Red Dawn*). And it was. Still, that doesn't detract from it being a cracking first-person shooter where you represent the civilian resistance, attempting to reclaim the homeland from the evil commies. Yes, the story is silly, yet the single and multi-player games are truly immersive. Blast it out with your friends (and annoying online Yanks) in multi in the occupied malls, city streets and suburbs, or follow the semi-decent narrative on your own.

WWE All Stars

(THQ)

PS3, Xbox 360, Wii, PSP

★★★★

People who sit about moaning that 'wrestling is fake' are missing the point. The exact point is that it's fake. The exact point is that it's a fun spectacle that doesn't expect to be taken seriously. And the straight-faced, over-earnest acting of the wrestlers is the icing on the cake.

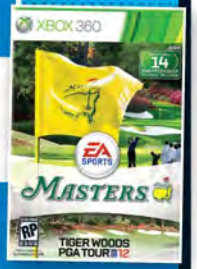
THQ's latest sweaty wrestle-fest doesn't square any circles, but it's still wild fun packed full of WWE stars past and present. John Cena, Andre the Giant, Bret Hart, Macho Man Randy Savage and more enter the ring, there are plenty of great moves to learn and it comes into its own in multi-player. These games rarely stand the test of time, but right now it's fun aplenty. Rumble!

PGA TOUR 12

(EA Sports)

Wii, PS3, Xbox 360

★★★★



We're glad that EA have got round to sorting out a license for The Masters to be included in the Tiger Woods golf series. It needed it. The downside is it's the only tournament available here, unless you shell out for the PS3-only collectors edition for five extra tournaments. Consumer: fleeced.

If you can swallow the bile in your throat, you can play against Woods and try to beat his 4 winning Masters scores, and there's the usual EA gloss you'd expect to get from the best golf game in the world. And, of course, there are 16 courses, a career mode, online play, new players to be, and even advice from your caddie. We just hope this tournament specific way of marketing the game doesn't catch on. Well, at least until the Ryder Cup edition anyway. We'd definitely buy that.

RESIDENT EVE!

Susane has got a new flatmate...

We've had some foul flatmates in our time. People who don't feel it necessary to flush their leavings, for example. We don't reckon that Susane will be having any problems with Eve Angel, however, who has moved in with her for a few months while she redecorates her own place from top to bottom.

No, we reckon it'll be white wine spritzers and *Desperate Housewives* marathons all the way. They'll wear cute pyjamas and those snug socks and giggle over the foibles of some people on reality TV. Then they'll go to bed with their teddy bears and dream of lambs.

Actually, none of that will be true. With what we've witnessed of Susane and Eve, they'll actually spend most of their time fucking the hell out of each other, using a variety of toys. Then they'll invite some guys over to use their cocks in all available holes until they're all spent and exhausted. Then, and only then, will they fire up the spritzers and *Desperate Housewives* box-set... ♣

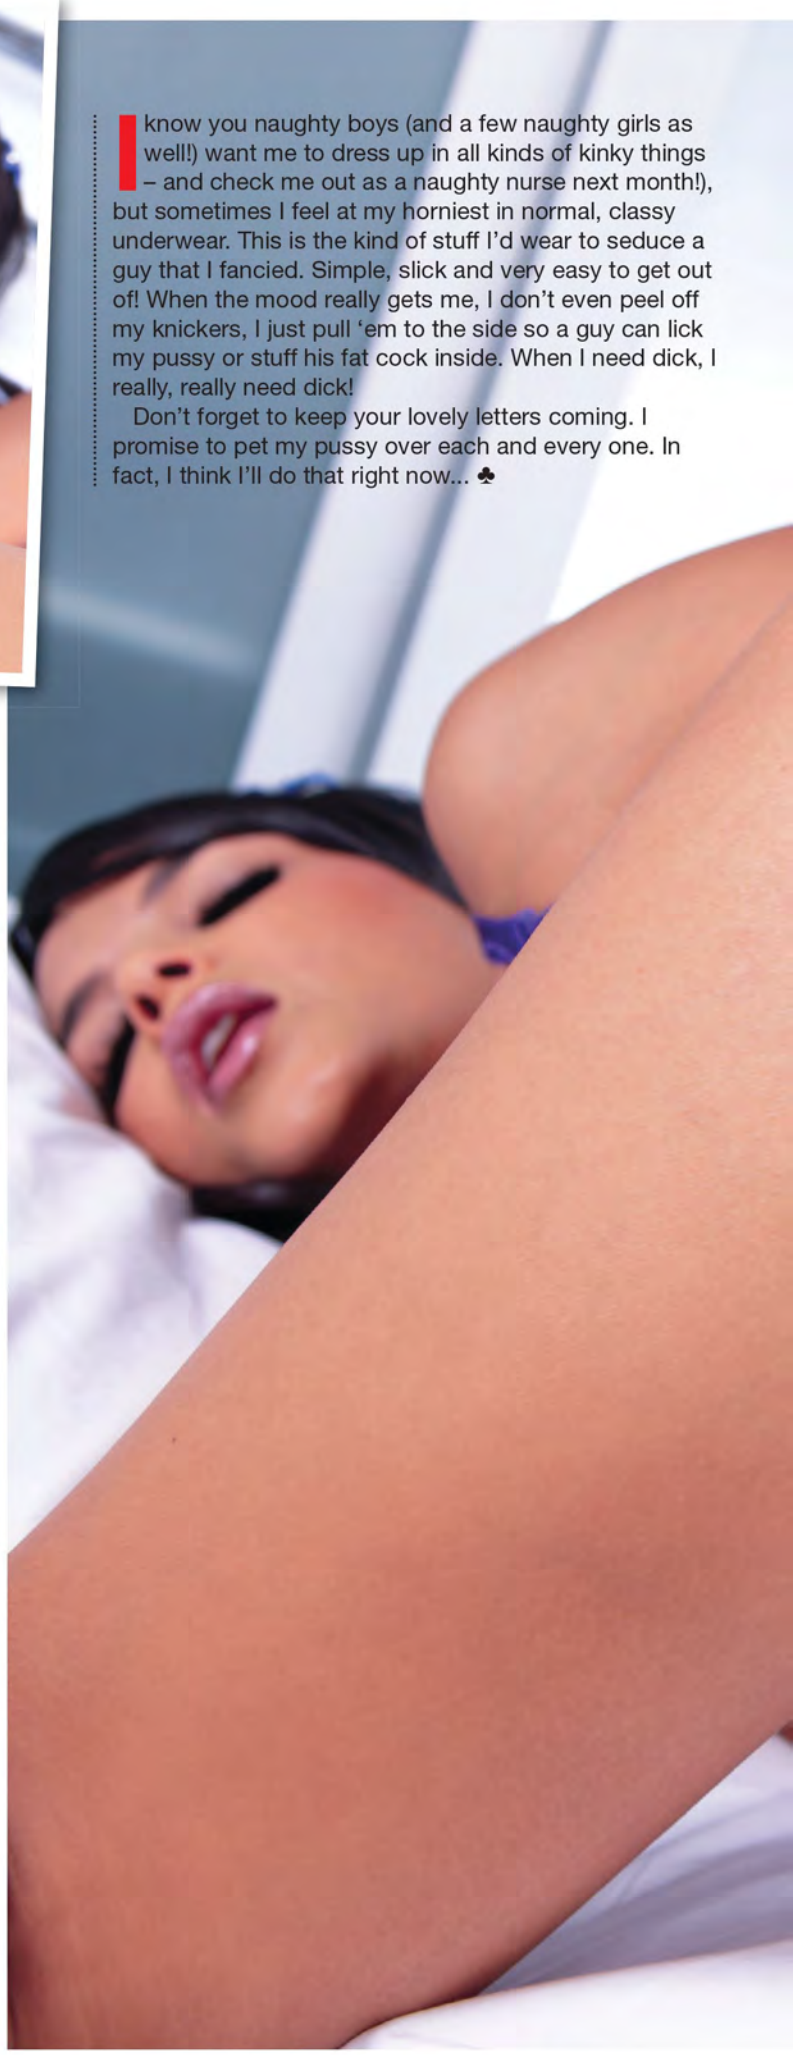
Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

I know you naughty boys (and a few naughty girls as well!) want me to dress up in all kinds of kinky things – and check me out as a naughty nurse next month!), but sometimes I feel at my horniest in normal, classy underwear. This is the kind of stuff I'd wear to seduce a guy that I fancied. Simple, slick and very easy to get out of! When the mood really gets me, I don't even peel off my knickers, I just pull 'em to the side so a guy can lick my pussy or stuff his fat cock inside. When I need dick, I really, really need dick!

Don't forget to keep your lovely letters coming. I promise to pet my pussy over each and every one. In fact, I think I'll do that right now... ♣



Dear Sasha

Looking at the pictures of you and your friends getting off with each other in *Club*, I could only think one thing – I wish I was the photographer. If I had been, I'd have been getting things a lot dirtier a lot quicker! Don't get me wrong, I loved the shoot and it has kept my dick very happy for the past few weeks, but I really want to see you in some hardcore action. How about it?
Chris, Hitchin

Trust me, Chris, we got very hardcore on that shoot, but there are some things the law won't let us print in Club, so you'll have to check the website for those shots, sorry. As for hardcore in general, well, I'm not really into the idea of doing guys on film – I much prefer an intimate one on one – but I just love banging girls with a camera nearby, and I don't plan on stopping any time soon!

Dear Sasha

Sasha, I know this might sound a little strange, but I know you'll understand – I'd really like to see you in a gasmask. Yes, I know it's freaky, but like many fetishes, it just can't be explained. I suppose I just like the rubber, but the thought of you wearing nothing else but a mask is driving me into a right wank frenzy. I don't hold out much hope, but how about it!
Benny, Norwich.

You're right, Benny, it certainly is freaky! I won't have a go at anyone for their fetishes – as long as they're legal – as I've been known to indulge in some weird stuff myself occasionally, but the editor has nixed this one. He says he's not paying me to 'be gorgeous in a magazine so that he can hide my face like an evacuee'. Sorry, mate, you'll just have to imagine this one!

Apple Macbook Air 11"

Palm Pre 2

£400

www.palm.com

It must be sickening to be a long-established tech company and have your every move dismissed as a 'challenge to the iPhone/iPad/iSomething'. But still, that's the world we live in, and the Palm Pre 2 will inevitably be judged based on what it does better and worse than the iPhone. Well, its new OS is a great leap forward – very fast and great for multi-tasking. You can open apps out the Ying Yang and switch between them easily, and there are stacks of features for customising it. And the downside? The camera is a bit wee – and no-one uses real cameras anymore, so you really need a decent lens on your portable – and, inevitably, you'll never have as many apps as Apple has.

Pros: The OS feels fresh, zingy and is a revelation compared to some.

Cons: Poor camera by comparison to rivals, relative app shortage.

Fujifilm W3 3D Camera

£399

3D – good lord. I thought we'd dismissed it as a fad years ago, but throw a desperate film industry at it in a time of flatlining DVD sales and it's all the rage again. Gadget companies aren't far behind, Fuji weighing in with a portable home video camera which is relatively easy to use, and offers you the chance of instant 3D HD video playback, should that be something you desire. You freak. It does what it says, but comes with the inevitable 3D drawbacks – close-ups are rubbish, for example. Oh, and it's not exactly lightweight, with all that extra tech on board.

Pros: Easy to use, lots of features.

Cons: Not so easy to pick up.

Apple Macbook Air 11"

£850

www.apple.com

The last time I went to Sainsburys, I could barely see the cereal for all the cheap LCD TV's and laptops in the place. Technology has come to the masses, although let's not pretend that savvy consumers are buying high-end tech at their local meal deal emporium. No, for something special you still need to look elsewhere, and the sleek, lightweight Macbook air is a joy. Okay, it hasn't got enough oomph for games – but Macs aren't for games anyway – or really heavy work, but with a nice keyboard and specs, it looks and functions better than a Taste the Difference laptop.

Pros: Has that certain Apple something. Good keyboard at this size and weight.

Cons: Not suitable for heavy processing or large storage. ♣

Gemma's gems are on display...

We struggle and strive to bring you the finest in British girls – they've all disappeared down the internet or something – and when we land upon a girl like Gemma, it makes all the graft worthwhile.

We mean, just look at her. Look at those pins, those boobs, that smile, that bum, those bits we're too gentlemanly to mention but more crass publications refer to as the 'tuppence'. Yes, it's all present and correct and very lovely it is too. It's what separates Brit girls from the rest of the world and makes them great: two boobs, one vagina, one bum and two legs. In your face, world, and up yours, Delors. ♣

No. 8 – MONIQUE COVET

Born in Budapest, Hungary in 1976, Monique Covét was discovered in the mid-nineties by legendary fat pornographer Pierre Woodman. Woodman cast her in some movies for Private and before long this blonde became the embodiment of the hardcore label, appearing in over 30 films for Private twixt the years of 1995 and 2001. It was fetish director Tanya Hyde who took Monique's angular looks and spunkable tits to new kinky lengths in films such as *Twisted Dreams*, *London Calling* and *Rubberfuckers Rule*, all of which starred Covét and saw that her face beamed out from every sex shop in the country as these best-sellers made the most of the UK's brand new R18 certificate.

Miss Covét then quit the biz to concentrate on her gymnastics (which we'd already seen plenty of in her films) and horse riding. She briefly reappeared to make one film in 2003, but retired again the following year, and has not performed since. However, there is a reason to be positive. Monique (who holds an accounting degree and is fluent in four languages) does own her own hardcore DVD label and hasn't ruled out making an appearance again. So let's cross those fingers and hope her tits get sprayed with man-muck once more.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Helena Bonham-Carter

Don't get us wrong, she's a great actress (as evinced by her recent showstopping performance in the lovely *The King's Speech*) but this dainty English rose has gone from being swoony and winsome in her 80s and 90s heyday, when she played a succession of posh, corseted totties in films like *Wings of the Dove*, *Howards End* and *Room With a View*, to something else entirely. We blame hubbie Tim Burton for the scrawny goth look she goes for these days, as he seems to enjoy making her look cadaverous and weird in his weird, cadaverous little films (*Sleepy Hollow*, *Charlie & the Chocolate Factory* and *Sweeney Todd* being recent examples).

Although, to be fair, she did start rocking that look back in 1999 when she appeared as Marla in *Fight Club*, but she was still fit back then (her slo-mo, freeze framey sex scene with Brad Pitt was something to behold). So come on, Helena, put a comb through that hair and put some nice make-up on. We know you've still got it in you, love.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Elektra glides in blue movie

This March, top-heavy saucepot Carla Gugino (*Sin City*, *Entourage*, *Spy Kids*) will star as retired porn star Elektra Luxx in camp comedy named, appropriately enough, *Elektra Luxx*. You can see the trailer on *YouTube* now, and some of it looks like it might be pretty saucy, if a touch on the low-budget side. Gugino has been playing the character for a while now, appearing in sketches on various websites, and this'll be the big screen debut for the character (who now teaches sex education at a community college). As long as she gets some of that rack on display, we'll be watching when it gets a release over here.

Goosed

Alabaster-skinned fuck-goddess Stoya has been talking about her new big budget epic, *Top Guns*, shot for Digital Playground. She told Australian *Penthouse*, "We play military jet pilots in a spoof of *Top Gun*. It was a lot of work, but finally getting to touch Kayden Kross's vagina made it all worth it." Not always a fan of big budget feature porn (too much plot/bad acting/silly costumes, not enough rampant fucking) but the thought of Stoya in military gear getting reamed left, right and centre sure does appeal. We shall see when it's released this month.

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

It seems that the title of 'Buttwoman' is like that of James Bond or Dr Who, in that every few years another round-rumped porno starlet rocks up and takes the mantle as her own. At the moment, it's booty-delicious (or 'bootylicious', as I like to call it) Alexis Texas who's romping from city to city across the States dancing in clubs and appearing in gonzo fuckflicks under the moniker, and very fitting it is too. Her bottom is peachy-perfick and manages (quite miraculously) to be large, pert and mouth-watering all at once. She's very aware of this, and posts pics of it with great regularity on Twitter, along with her musings on the world (not ultra-enlightening, to be honest, but packed with childlike glee) and photos of her cute doggies. Here's some stuff she's spouted recently...

"Sunday funday!! Still snuggled in bed with my pups waiting on my breakfast!!! #happybooty?"

"i feel like there are a lot of haters on twtter today... who pissed in your cheerios today? FYI: FUck Off if you dont like what i tweet!! :)"

"Sticking things in my butt tomorrow - nighty night need to get my booty rest! Peace out"

"Good Morning! i had a great 1st night at the rhino thanks to everyone that came out to support my big booty :) lets do it again tonight baby"

Yep, she's an adult who fucks on film for cash and says things like "yummy yummy in my tummy". A clinical psychologist would have a field day with her, I'm sure. Follow her at *www.twitter.com/Alexis_Texas* cos she's carefree, fun and, as Al Pacino bellowed in *Heat*, "she's got a great ass!"

Top Five... Sexy Vampires

The hottest red-blooded fang-bangers, and not a bint from Twilight in sight...

5: Pam out of True Blood
Eric Northman's right-hand gal is the MILFiest vampire you ever did see, strutting round with an S&M vibe that'll get your blood flowing to all the right places. And when she talks dirty it turns us into Lost Boys. In a nice way. Oh, and she's a big dirty lesbo as well.

4: Santanico Pandemonium out of From Dusk Till Dawn
Not sure if Salma Hayek's vampy stripper zombie queen (or whatever the hell she is, we don't fucking know) counts as a proper vampire, but we'll take any excuse to run this shot of her in a bikini. Cheers.

3: Selene in Underworld
As essayed by Kate Beckinsale in films that, despite their inherent shitness, are utterly watchable on account of her tight leather troos and totally gorgeous face. Pleeeeease, Kate, do more nude scenes.

2: Jessica out of True Blood
True Blood again (which is understandable, seeing as it's about the raunchiest show on TV) and newcomer Jessica is the redheaded sister of the night I'd most like to put my stake into. Not in a stabby way, in a fucky way.

1: Ingrid Pitt out of the Vampire Lovers
RIP Ingrid. Only recently shuffled off this mortal coil (and not showing signs of having been resurrected) Ingrid practically invented sexy vampire larks, so we have her to thank for all the others. Buffy would have been no match for her.

SEXY SEX FACTS ABOUT SEX

Mosquitoes mate in the air and their sex act lasts only 2 seconds (a record I have tried to beat)

Every day, 200 million couples around the world have sex, which is approx 2,000 couples at any given moment (and I'm never one of 'em)

Up until 1884, a British woman could be sent to prison for denying her husband sex (speaking as a feminist, I would still like that law to come back)

Dacryphilia is arousal due to seeing tears in the eyes of a partner (which basically means you're an asshole) ♣

SHAY & DISPLAY!

We've got a hard bone to pick with Miss Laren...

We've got beef with Shay Laren. Yes, we're happy you're still modelling and showing us those parts of you that refresh those parts of us you shouldn't have to reach, but what happened to the porn career?

"Oh, my heart was never in that," says Shay, who made about 5 lesbo movies before calling it a day. "I didn't like all the cameras and make-up and crew."

Really? You seemed to be enjoying yourself from where we, er, crouched.

"I did enjoy it, just not as much as I normally enjoy sex. It's too stop-start. You just get going then someone swoops in to touch up your make-up."

Good point, but on the other hand, we want to see you have sex on films. Consider this a written warning... ♣

WHAT'S SHE LIKE? Buxom and oh-so-bangable.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
A friend from down the pub said I reminded him of a red-headed version of his favourite model, Katie K, and I should give it a go!

WE CAN SEE WHAT HE MEANT.
Me too. I love Katie and I'd love to meet her – and fuck her. We've both got big, natural boobs in common, I suppose.

WE WERE JUST ABOUT TO SAY 'MY, WHAT BIG BOOBS YOU HAVE'.
Have I? I'd never noticed! Only joking, I suppose they're what most people notice first!

DO YOU MAKE THE MOST OF THEM?
Not half! I love giving tit wanks with them. Most blokes I shag ask before too long, and I'm happy to oblige. I love the tip of a dick peeking out when I wrap my tits around it. And I love to have a guy lose his mess all over them.

ANY MODELLING PLANS?
Dunno, really. This was fun, so I'll see if I get any more jobs for other mags. I might even do a couple of movies and see if these big old tits gets me noticed! ♣

BIG TIPPER!

When most people go to a restaurant for dinner, the night usually winds down with coffee and a nightcap or two. Well, I'm not most people. What I am is a leggy blonde who's dripping with high-class bling. Plus, I'm brazen as fuck, to boot. It's that shameless streak of mine that recently led to a bout of filthiness at a posh restaurant.

I'd arranged to meet a male fuck buddy for a late dinner. I'd booked the table for a mere hour before the restaurant was due to close, as it was only to serve as a starter for the sexual feast to follow. Well, I was sitting there sipping a Cosmopolitan, getting progressively hornier, when my date called my mobile to grovellingly explain that he'd been unavoidably detained at the office. "Fine. Enjoy the rest of your life, loser," I said, and cut him off. How was I going to get my fill of cock now?

A fit waiter in all his liveried glory approached my table. "Oh dear," he said. "May I be so bold as to suggest another drink, miss?"

"Yes you may," I replied. "But I'd rather you were bold enough to bend me over this table and fuck me senseless." When I told you I was brazen, I meant it!

"Well," the waiter said, "if that's the way you like to play it, I can oblige you after hours. Tonight me and my girlfriend have to lock up after the rest of the staff have gone home."

"Girlfriend?" I said. "Interesting... So which one is she?"

"Over there," he said and pointed at a gorgeous blonde waitress. "So are you really interested?"

I nodded that I was, pointed at my empty glass and said, "But let's keep that flowing."

Later, when the last staff member had gone, the door locked and the blinds drawn, Henry – the waiter – said, "Okay, assume the position."

"But where's your girlfriend?" I asked, equally as eager to savour her cunt as I was Henry's cock.

"Here she comes now," he answered. I turned to see her walking towards us from the far end of the restaurant – completely naked. Nice. Saying nothing, I did as Henry had asked me to do. I wriggled out of my knickers and pulled my skirt up around my waist to give him a good look at my smooth-shaven gash and tight arse. "Oh yes," he said with relish. Then he unzipped his trousers, pulled out his swollen dick, and started bumping the head of it against my pussy lips.

I gasped as Henry gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of it. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunt was directly in front of my face. It was pretty clear what she wanted, and I wanted it too. Burying my face in her pussy, I drank deep, lapping and smacking my lips as I did so.

By now Henry was fucking me gently but deeply, and it felt incredible. Every now and then he'd grab me by the hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's cunt and rammed three fingers into its sweet wetness. She let out a yelp of pleasure, and started thrusting herself harder onto my digits. Then a look came over her face that said she was about to blow – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, Henry suddenly said, "You ready?"

"Am I ever," I replied, emphasizing that remark by slamming backward so that his balls slapped against my pussy, his dick buried inside me to the hilt. That's when Henry finally went into overdrive, slamming his cock in and out of my cunt with a ferocity that took my breath away. Then I began tingling from head to toe as one of the most amazing orgasms of my life exploded in my twat, flooding my entire body – at the very instant that Henry filled my cunt with jizz. I decided right then to book a regular table…

TIGHT WEDDING!

There's nothing in the world I like better than anal sex with my boyfriend. In fact, it was our mutual love of arsefucking that brought us together, on the day we met at a wedding reception. Although I'd never spoken to John, I'd seen him around enough times to have taken quite a fancy to him. So when I heard he'd also been invited to the event, I resolved to make a play for him. I dressed to impress in a tiny pearl pink satin mini-dress, which only just covered up the goods. I also wore stockings and – and here's the really dirty part – no panties. I knew that I'd be revealing a lot sitting down or bending over in that outfit – and that was the whole point. Inappropriate attire for a friend's wedding, maybe, but I was on a mission.

Come the big day, I'd made an impression on pretty much everyone there. After the wedding itself was over, the bride and groom made their grand exit, and everyone began the serious business of getting drunk. A marquee had been set up in the grounds, and loaded up with booze, which we guests proceeded to work our way through. As evening fell, I spotted John leaving the crowd in the marquee to smoke a fag in the garden. At last, my chance.

> **"She inched her way towards me until her cunt was directly in front of my face"**

I quickly caught up to him, and asked for a cigarette. I wasn't really a smoker, I explained, but these big occasions always made me nervous. It really didn't matter what I said – he wasn't listening anyway. All his attention seemed to be concentrated on my pubic area as my hemline fluttered in the gentle breeze, evidently giving him teasing glimpses of my pussy. We exchanged smiles, and that's all it took – suddenly we were in a clinch. It was quite a petting session – I almost came just from grinding my bare pussy against John's leg. I probably stained his trousers with my pussy juice.

Locked in a clinch, we gave no thought to the few people passing by in the gathering darkness. John hustled me off to a secluded corner where there was a low wall, which he sat on with his trousers yanked down. Taking my cue, I squatted down on his lap, ready for action. But even though I was about to fulfill a long-held desire, I still had enough presence of mind to avoid any risk of pregnancy. Since I'd rubbed pussy juice all around my nether regions, I knew that my arsehole would be lubed up enough to take a cock. So I leaned back and pushed my hips forward so that my pucker came into contact with John's helmet. He gasped in surprise, like he'd struck gold – brown gold. Reaching down, I squeezed his balls to coax him inside. Then I clamped my thighs shut, and proceeded to give John the anal rollercoaster ride of a lifetime.

I propped up my body weight by planting my heels on the edge of the wall, giving me the leverage to bounce slowly up and down on his cock. More thanks to my technique than his, John's meat worked up my bum by degrees, and soon I was moaning so loud that any passers-by would know exactly what we were up to – not that I could care. Nor, evidently, could John, who pulled down the top of my dress to plant his face between my jiggling tits, making a weird sort of "Mwammawamma" sound.

My balance was so precarious, and my arsehole's grip on John's meat so tight, that each of my upstrokes and downstrokes took a good few seconds to execute. But that didn't stop my orgasm building quickly, and it wasn't long before I was cumming. Cumming so hard, in fact, that the pair of us almost toppled over that wall. Luckily John stabilized us both by grabbing my waist, pulling me hard down onto his cock as he blasted his spuzz up my shuddering bum.

It wasn't just the bride and groom who

were united that day, but also me and John. Of course, after that little escapade, we don't get invited to many parties – but as long as we can pursue our shared hobby of public arse sex, we can make our own fun!

MATE'S RATES!

Call me a bastard, but a few months ago I fucked my best mate's girlfriend. To be honest, it wasn't something that I'd intended to do, it's just that... well, here's what actually happened.

As a way of getting acquainted with his new bird Chloe, my mate Jack invited me over to his flat for dinner. When she opened the door on the fateful night, Chloe proved to be exactly as Jack had described her – a cute, innocent-looking girl with platinum blonde hair and a gorgeous little body. "You must be Joe," she said, with a smile that shot tingles through my dick.

"That's me," I replied. "Pleased to meet you, Chloe."

She led me through to the living room where she had a bottle of white wine already on ice. "Only two glasses?" I inquired.

"Yes," she answered. "I'm afraid Jack's been held up at work."

"That's a shame," I said.

"Oh, I don't know," Chloe said. "I'm sure we can find something to help us pass the time."

That tingle I mentioned? It moved up several notches and gave me a ridiculous hard-on – one that Chloe couldn't help but notice. "See," she said. "How about that something you've got there?"

"But Jack's my best friend," I said, trying my hardest to look sincere.

"Yes, I know," she replied. "But I'm telling you, what you're packing there puts his cock to shame – and I want some of it."

I thought hard about the consequences of what we were about to do should Jack ever find out. Not! I said, "Be my guest."

Chloe dropped to her knees between my open legs, unzipped my jeans and pulled out my prick. As her lips wrapped around my cockhead, it felt as though all my birthdays and Christmasses had come at once. In fact, it took some serious control to stop myself cumming within 60 seconds of Chloe first clamping her mouth on my meat. But thankfully I didn't – even though it would have been fucking nice to splatter her tonsils with the white stuff. Her head bobbing on my shaft, Chloe started undoing wriggling out of her clothes. When she was down to her underwear, she stopped what she was doing and said, "Follow me."

Seconds later she'd torn off her pants and was spreadeagled on Jack's bed. Diving on top of her, I clamped my mouth on her cunt.

> **"Penetrating as deep as I could, I started hammering her to hell and back"**

Then I poked my tongue inside her juicy minge and started slurping. She tasted so sweet, I would've been quite happy to spend the rest of my days down there. But Chloe had other ideas. "Don't take this too hard," she said. "But as much as I like getting eaten, I need your cock in my twat, not your tongue." Then she pulled my head up and planted a head-swallowing kiss on my mouth. "That was so I could get a taste of myself," she said, grinning like the proverbial cat that got the cream.

Still grinning, Chloe scooted to the edge of the bed, lay on her front and hung her legs over until her toes touched the carpet. Then she spread her pussy flaps wide and said, "You know what I want. You know what I need. I could see it in your eyes the moment we met – so drill me hard, you bastard!"

At that moment I offered up a silent prayer for the values of friendship, and decided to give Chloe the fucking of a lifetime. Two lifetimes, in fact – hers and mine. After all, she'd already proved that she was the kind of girl who wanted to be fucked, as opposed to be made love to. My instincts have always been spot on about these things.

I jammed two fingers in her juice-dribbling twat, then a thumb in her arsehole. She yelped. I wriggled the fingers inside her slit until they were good and gummy, then I slicked my dick with her stickiness. Penetrating her as deep as I could, I started hammering her to hell and back. Chloe thrust herself backwards to meet my every downstroke, and in what felt like no time we both exploded in a mess of jizz, cunt juice and sweat. Needless to say, neither of us see Jack anymore – but that's a price we're prepared to pay.

OFF YOUR HEDONIST

Does anyone do those classy 'fake book' sleeves for DVDs?

RATINGS: ★ MONSTER RAVING LOONY PARTY ★★ MONSTER MONSTER ★★★ MONSTERS BALL ★★★★ MONSTERS ★★★★★ MONSTER MUNCH

MONSTERS

(Vertigo Films, DVD £17.99, Blu-ray £19.99)

There are tales of people coming out of *Monsters* and asking, 'Where were the monsters?' Dummies, this isn't that kind of film. No, giant aliens may be resident on the Planet Earth depicted here, but they're accepted backdrops as director Gareth Edwards instead concocts a road-cum-relationship movie starring real-life couple Whitney Able and Scoot McNairy. Their chemistry translates to the screen, while Edwards' one-man CGI magic is a wonder to behold. All in all, it's as good a debut as we've seen since *Moon*, by that other Duncan, Jones.

★★★★

Vertigo Films have kindly given us 3 DVDs of Monsters to give away. Just email clubint@paulraymond.com with 'Monsters' in the title for your chance to win one.

Stick your Kindle up your arse

BEATDOWN

(Chelsea Films, DVD £12.99)

As boxing fans, we're sad that that noble sport has been so corrupted and devalued that Mixed Martial Arts (MMA) has taken over from it in spectator terms. But fair play to MMA for having its house in order. Then again, this directorial debut from stunt coordinator Mike Gunther didn't exactly trouble the Oscars in the same way *The Fighter* did, so it's swings and roundabouts. The cast is C-list, Danny Trejo excepted, but this is still a reasonably well-told, action-packed punch-fest, with visceral cage-fighting scenes. And how can a film with a character called Drake Colby in it be entirely bad?

★★★

BLOOD SIMPLE

(Momentum Pictures, DVD £12.99)

It makes sense adapting *Blood Simple* and moving it to a different place and time. After all, it's a simple love and death triangle (give or take a corner) and Yhang Zimou, who brought us spectacle aplenty in *Hero* and *House of Flying Daggers*, has success in transplanting the story from Texas to a noodle shop in Gansu, China, in the feudal era. As far from a lazy remake as it's possible to get.

★★★★

We have three copies of Blood Simple to give away. Simply email us at clubint@paulraymond.com with the name of the lead female in the Coen Bros. version.

LOVE THY NEIGHBOUR SERIES 1

(Fremantle Media Enterprises, £15.99)

Has time been kind to the sitcoms of the past? While *Dad's Army* is in constant rotation you don't see this or *Mind Your Language* cropping up too often on UK Gold. But then, it's always been hard to tell if it's a racist comedy, or a comedy poking fun at racists. Eddie Booth is the bigot with new black neighbours, and while he's clearly a figure of fun, and the butt of most jokes, there's definitely some dodgy material. But it's precisely this blurring that makes it a fascinating historical document, if not exactly laugh-out-loud funny.

★★★★

Win one of three copies by emailing 'Political correctness not gone mad enough' to clubint@paulraymond.com.

THE TWILIGHT ZONE SEASON 1

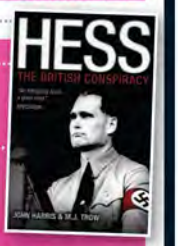
(Shock Entertainment, DVD £34.99, Blu-ray £49.99)

'Influential' is usually one of those phrases that crops up when you're damning a TV show with faint praise, but *The Twilight Zone* was and is influential, but remains a damn good watch to boot. It's fresh to Blu-ray, and transferred superbly, allowing you to see all 36 original episodes in pristine quality. A whole generation of directors, writers and actors were weaned on Rod Serling's iconic show, and some of the tales told here have passed into legend. Tuck into extras galore, including unaired pilots and commentaries. Truly brilliant. ★★★★★

To win one of 3 DVD copies, email the name of the Florida theme park ride based on The Twilight Zone to clubint@paulraymond.com

HESS: THE BRITISH CONSPIRACY!

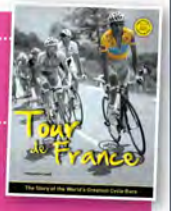
John Harris & M.J. Trow (Andre Deutsch £9.99)



Our fascination with the minutiae of WWII knows no bounds, and while the grand sweeps of history have their place, we love the 'untold' stories as well. And exactly why Adolf Hitler's deputy, Rudolf Hess, parachuted into Scotland on 10th May 1941, has always been shrouded in secrecy and rumour. Was he on a peace mission unbeknownst to Hitler, or acting for Hitler and with the full knowledge of British intelligence and Churchill? Harris and Trow unpick the threads, even if the title somewhat gives away what their conclusion is.

TOUR DE FRANCE

Marguerite Lazell (Carlton Books £20.00)



For the vast majority of people, the Tour de France is a long cycle punctuated by pile-ups and scandals. But for many its rich history, full of tales of individual dedication and endeavour, make it the finest sporting event in the calendar. Lazell doesn't shy away from the doping headlines, but nor does she get mired down by it – this is still a celebration of the likes of Miguel Indurain, Eddie Merckx and Lance Armstrong, while technological and rule leaps are made plain to the layman. Oh, and if you like bike porn, it's crammed with colour photos. Spokes volumes.

HITLER V STALIN

John Erickson and Ljubica Erickson (Carlton £20.00)

We from the Western Allies have a tendency to focus on the Western Front when it comes to WW2. Dunkirk, Monte Cassino, D-Day. But the hugest and most pitiless battles occurred on the Eastern Front, as Hitler and Stalin attempted to wipe each other's country from history. The late John Erickson and his wife Ljubica have trawled the notoriously tricky Soviet archives, among other sources, to put together what is a largely photographic account of the bloody, brutal mess, many of the pictures scarcely, if ever, seen.

HIDE AND SEEK

Alison Tyler & Rachel Kramer Bussel (Cleis Press £10.99)

We're not short of erotic short story collections at Club Towers. If there's a wonky table to be supported, we've got you covered. And while we're aware that many of the stories in such collections are more 'writerly' and 'arty' than the ones we publish, you sometimes get the feeling you're trapped in a Gregory Dark movie or watching the Movies 4 Men channel. It's all slow-mo, soft focus and the kind of writing that holds up kinky, fetishistic sex as some kind of higher truth. Sceptical, us? Well, yes, but we still cracked a few out to this. ♣

Moto GP

It's on the beeb and there's even a bit of British interest this season, meaning there's never been a better time to discover the thrills and spills of Moto GP. We asked our resident sport tosser, Matt Loxham, to elaborate...

The Technical Stuff

Whizzing around a racetrack on a motorbike is a surprisingly complex business, particularly when it comes to the 'behind the scenes' stuff such as engine specifications, set-up and design. 'The boring shit' as many people might call it.

Indeed, ever since the first official motorcycle Grand Prix championship way back in 1949, there's been much tinkering around with such technical gubbins. In the 1950s and 60s, teams generally used a four-stroke 500cc engine, whilst during the 70s the two-stroke was dominant, before the four-stroke took precedence once more. What does 'stroke' mean in this context? Well, I was hoping you wouldn't ask, to be honest, but I do know that it has something to do with pistons, and nothing to do with wanking.

Although these techy ins-and-outs could easily be dismissed as 'fairly dull' by those who simply enjoy Moto GP for the thrilling racing and those dramatic crashes when the bloke flies really high up into the air or slides across the tarmac on his arse, die-hard fans no doubt have heated debates about whether the bikes should be two-stroke or four-stroke, if 800cc is better than a 1000cc, or indeed how many a tyres a rider should be allowed to use in each season, but as this is merely a 'Rough Guide' we'll leave the finer details to the genuine enthusiasts.

In a nutshell, the bikes that take to the grid in Qatar on March 20th will have Moto GP class 990cc four-stroke engines. They'll also have two wheels and men sat upon them who could easily be referred to as 'fucking mental', especially when you consider the catalogue of broken bones, grazed extremities and acute saddle-chafe that these guys can expect to sustain in an average season, a season that will see 17 riders across 10 teams slugging it out over eighteen action-packed races to find out who is the fastest, bravest, smartest and quite possibly craziest man on the track.

If it's non-stop action and bravery bordering on insanity you want to see, then you should definitely check out Moto GP. It's much more exciting than Formula One.

The Legends

While the engines and bike specifications and championship names have changed many times over the years, motorcycle racing's knack of producing tough and talented individuals certainly has not. Since 2002, the so-called 'elite level' of the sport has been titled Moto GP. Before then, it was known as 500cc class, and during that era this trio of riders became biking legends.

Giacomo Agostini

'Ago', as he is not so imaginatively nicknamed, is arguably the finest rider that the world of motorcycle racing has ever seen. Holding, as he does, the record for most championship victories, Ago is certainly the most successful. The speedy Italian won eight 500cc titles – seven of them consecutively between 1966 and 1972 – and picked up many more accolades and trophies on the way. It's hard to believe that as a teenager his father wouldn't even let him ride a motorbike – Papa wanted him to train as an accountant.

Barry Sheene

Although he's probably best know for doing Brut adverts, dating models, and for a couple of horrific crashes that between them saw him break just about every bone in his body several times over, when he wasn't flogging dodgy aftershave, pulling birds or falling off his bike, charismatic cockney Barry Sheene was a top-class talent on two-wheels.

He won back-to-back 500cc championships in 1976 and 1977 and became a household name, bringing a motorsport previously only watched by petrolheads into the nation's living rooms.

Whether he was winning races or lying in a hospital bed with a broken body, ever the charmer, Sheene always met the cameras with a joke and a smile, making him one of Britain's best-loved sporting heroes.

Mick Doohan

You don't win five consecutive titles in any sport without being brilliant at what you do, and Australia's Mick Doohan was indeed a master of the motorcycle.

On board the iconic Rothman's Honda – let's face it, ciggie brands always did the best

paint jobs – Doohan achieved his victories when the sport was particularly strong, making his record even more remarkable.

Many current Moto GP stars cite Doohan as the inspiration for them getting on a bike in the first place, and his battles with the likes of Spain's Alex Criville and the American duo Kevin Schwantz and Wayne Rainey as some of the most exciting and aggressive dogfights ever seen in track racing.

Ones To Watch...

Every sport needs future legends and Moto GP has them in abundance – talented racers who love doing outrageous things at dizzying speeds and who don't mind lots of pain and hospital food. Three of the following riders are amongst the best in the business, one of whom has won his place in the history books already. The British bloke? Well, he's British...

Valentino Rossi

Every sport needs its characters, and Italy's Valentino Rossi is certainly one of the more colourful riders on the current Moto GP scene. He wears custom-made helmets with

funny pictures emblazoned on them, has a chat with his bike before races, sports initials that allegedly stand for rude phrases emblazoned on his leathers, and has even tested for Ferrari as a Formula 1 driver.

However, far from simply being the 'clown prince' of Moto GP, Rossi is also a brilliant rider – some say the best of all time – proof of which can be easily found in the fact that he's won seven championships across 500cc and Moto GP in just ten years.

Although he's switched from Yamaha to Ducati for the 2011 season and testing wasn't going too well at the time of writing, few would write off Rossi in his bid to usurp Giacomo Agostini as the most successful man ever at this level of motorcycle racing.

Casey Stoner

If it hadn't been for a series of heavy crashes and a mystery illness contracted during the 2009 season that left him feeling exhausted during races – not an ideal condition when you're pushing 200mph on two wheels – Australia's Casey Stoner might well have challenged Valentino Rossi's dominance a heck of a lot more than he has to date. His first and only Moto GP championship win came back in 2007, and although he beat him into third place on that occasion and has been a regular thorn in the Italian's side ever since, overall Rossi has had much the better of the often accident-prone Aussie star.

However, with Rossi having a few issues with his Ducati and Stoner reportedly very happy with his new Honda, the talented Antipodean finds himself in the

With Rossi now at Ducati, and Stoner on a very quick Honda and desperate to add to his one Championship victory so far, retaining the title will be far from straightforward for a man famed for his outrageous overtaking manoeuvres.

"Stoner finds himself in the position of being favourite for this year's championship."

position of being hot favourite for this year's title. Will he be able to stand the pressure?

Jorge Lorenzo

As the reigning champion, Spain's Jorge Lorenzo is the one they all have to beat this year, even if he did achieve it with former Yamaha teammate and rival Rossi injured and unable to compete for four races of the 2010 season.

Cal Crutchlow

On paper, at least, Coventry's Cal Crutchlow stands little chance of being able to challenge the big boys. Stepping up to Moto GP from World Superbikes, as Crutchlow has done, has proven to be a big ask for British riders in the past, most recently James Toseland, who struggled to make an impact on the Moto GP scene when he made the very same jump several years ago.

However, Crutchlow is a tough, gritty, no-nonsense type of rider, and if he can drag his Yamaha Monster Tech 3 on to the podium in any of the 18 races then it would be a great achievement for him, not to mention cause for much celebration amongst British biking fans. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CORNWALL CORNHOLE!

I took a late holiday with a bunch of friends, renting a beach house in Cornwall. We went to a barbecue party and I brought a guy named Roger home. As we'd been skinny-dipping in the sea and getting off with each other on the sand, we hit the shower, stripping naked and helping each other clean up.

Roger began sponging me down, hands lingering on my tits, arse and pussy as he lathered up my naked body. Then suddenly my friend Nick walked into the bathroom – we'd left the door unlocked.

He said something about being the only one of our gang who hadn't got lucky at the party. I heard myself tell him to come join us. I'd always had the hots for him, and if Roger didn't want a threesome, he could leave. But Roger wasn't going anywhere, especially not with my hand around his shaft, wanking away. Nick undressed, his eyes locked on us, his prick stiffening; then he stood the other side of me, groaning at the first touch of my hand.

I grabbed the sponge and showerhead, soaping him down, then kissing and licking his bare skin as I rinsed it clean. Roger got busy with my arse, massaging my cheeks and nuzzling his face between them, to lap all the way up my slit and crack, tonguing my tight pink arsehole. Nick was playing with my tits, thumbing the nipples as I ground back against Roger's mouth.

Foreplay is fun, but as I felt the juices pool inside of my pussy, it began to throb. I bent right over and took Nick's meat in my mouth, tonguing his helmet, then sucking his knob in and out. Roger stood up, fingered my clit, then I felt him touch his prick up to my pussy. I moaned and sucked harder on Nick – which made my cunt muscles contract – and Roger pushed in, penetrating me down to his balls.

> "He started cumming, saturating my tightest hole with his hot thick spunk"

He grabbed the shower and sprayed it all over my body. Then he turned the controls to cold, making me shiver as the two of them fucked each end of me. I let Roger set the pace, just opening my mouth as he pushed and pulled me on and off Nick's thrusting length. Nick was too big to take in all the way, but a squeezing hand around his root and the other cupping his wet balls kept him hot.

Now Roger switched the shower back up to warm, and sprayed it over my crack, playing it over my bumhole on a massage setting. His other hand was on my clit and within seconds I was cumming, clenching so hard around his dick that he groaned along with me.

That didn't stop him wanting an even tighter fuck, though. He pulled out and started eating me again, this time spitting on my arsehole, lubing it with a finger. Knowing what was coming got my pussy juicing again, and he dipped his dick inside of it, just to make sure it was wet and slippery. Then, really slowly, he eased inside of my arsehole.

Each fraction of an inch of it got me chowing down even harder on Nick's meat. I grabbed his arse, holding him firm as I sucked him, feeling him strain against cumming. But as my fingertips traced along his crack, teasing him, he lost control and emptied his balls into my mouth.

His load was so big I started swallowing, timing each gulp to Roger's thrusts. Then I let him slide out and just stood, bent over, moaning as he fingered my nipples and Roger pounded my arsehole even harder.

My own hand found my clit and I strummed away, flicking my rock-hard bud as Roger's cock filled and stretched me. Then I began to cum again, so hard that I almost twisted off of it, and Roger had to pull me hard back onto it again, making me cum even harder.

Now he started cumming too, saturating my tightest hole with his hot, thick spunk. His prick was throbbing against the tightening walls of my hole and the harder I clenched, the stronger he came, and I didn't stop till I'd squeezed out every drop.

Roger stayed the night while Nick went back to his own room. But, being a local, Roger had to head off early to work the next day. He left me horny for more, so it was a good thing that Nick had a serious morning glory when I crept into his bed...

Una, Alfreton

LAID MAID!

Okay, I'll admit it. I am a total pig. Really, I'm the classic example of the pussyhound that parents always warn their daughters about. What can I say? If my dick points in one direction I have no choice but to follow it.

Last month my cock led me to a five-star

hotel room, which of course was paid for by my girl du jour, a fit brunette named Trista. After I fucked the hell out of her arsehole and decorated her glossy hair with highlights of milky white jizz, Trista headed to the shower to clean herself up. I continued to lie in the messy sheets, stroking my cock at the memory of Trista's tits bouncing up and down as she rode me cowgirl. Just then I heard a knock at the door and the sweetest voice calling out, "Room service."

I opened the door naked, just for the hell of it, and couldn't believe my eyes. There before me stood the sexiest blonde on the planet. She was in a classic maid's uniform, her tits practically spilling out of her thin top. I scanned her from head to toe, paying extra attention to her perfect legs that were encased in lacy thigh-high stockings, and the mini skirt that barely covered her bum.

"Would you like turn down service?" she playfully asked, while sucking on her finger. "It looks like you've already worked up quite a sweat."

"Why don't you help me mess up the sheets a little more?" I said, pulling her to me until her boobs squished against my chest and my cock was poking into her stomach. When she motioned towards the shower I said, "We've got plenty of time."

I yanked the top of her dress down to her waist and started to suck on her tits, feeling her nipples crinkle up against my tongue. As she laid her head back in ecstasy I slid three fingers up her fanny and swirled them around until gushes of slit juice coated my hands.

"Bend over!" I insisted, pushing her skirt up around her waist. Then I worked my prick inside. Let me tell you, she was so fucking tight! Really, this girl could've squeezed my cock in two. It felt amazing when I was deep inside of her curly blonde hole.

"Use this in my arse," she begged, handing me her feather duster. I did exactly what she had asked and continued to fuck her pretty pussy faster and faster, while penetrating her arsehole with the handle of her feather duster.

"Harder, I'm going to cum!" she gasped.

I gave it to her harder than I've ever fucked anyone before. Eventually she came all over my balls with a splash that even soaked my thighs. Immediately I threw her down on the bed and shoved my head between her legs. I lapped up every inch of girl juice, tugging on her pussy lips and pulling up tufts of her silky pussy hair with my teeth.

"I'm going back in," I said, securing her legs on top of my shoulders. As I grabbed my dick to guide it back inside of her, she tilted her body causing my cock to jam up her arsehole instead. Fuck, she seemed to know what she wanted so I just continued to ram her backdoor vigorously.

Right as I was about to cum, Trista walked out of the bathroom. "What the fuck!" she yelled, racing toward me. Even though I was busted, I still kept on fucking the hot blonde.

"She gave us such good turn down service that I had to tip her!" I insisted, flipping the girl down on the floor in piledriver so I could experience her arsehole from a different position. "Don't be such a bitch, Trista. Come over here and hold her legs!"

I couldn't believe it! Trista actually did what I had asked. This turned me on even more than getting to fuck the blonde's arse, so I lined the girls up in front of me.

"Come on, get licking!" I said, watching the two hot tongues curve around my shaft. Finally, the sensation was too much to handle and I spilled my wad across both pretty girls and watched them swap my load from mouth to mouth. It's good to be the king!

SCRUFF JUSTICE!

No Baftas, all boffing...

RATINGS: ★ HARDLY ★★ HARPIES ★★★ HARLEYS ★★★★ HARD-ONS ★★★★★ HARLOTS

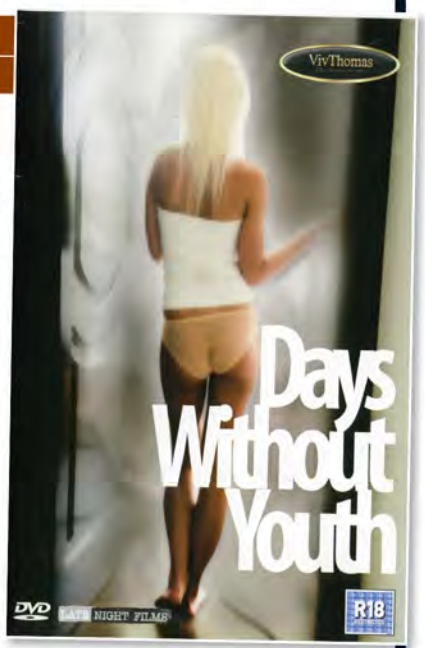
Young Harlots Learn the Rules
(Harmony)

Harmony could make a *Young Harlots* title every day of the week – and they probably would if they could – and we'd still never tire of them. In fact, we never tire of any college-type porn, perhaps because the scenarios are so massively unrealistic and bear so little resemblance to real life that they provide a perfect fantasy. Many of the girls doing bonks here will be familiar from the pages of *Club* – Eufrat, for example – while the incredibly saucy Henessy gets involved in a messy threesome. She then does some lesbo stuff, there's plenty of anal, and there's not a duff scene or girl in sight. Just like college then. ★★★★★

The Chavmeister
(Television X)

TVX are doing a good job of delivering a wide range of material to their demographic – there's no need to get carried away with budgets and overly poncey set dressing, when what the people want from TVX is British girls getting porked. The names might be a bit more household elsewhere in their catalogue, but *The Chavmeister* has that raw feel that a lot of people treasure. 5 girls in houses that haven't been 'Channel 4'ed' get some unspectacular but authentically grubby sex. Nice. ★★★★

Days Without Youth
(Viv Thomas)



Aimed firmly at the couple's market, the trusty VLT's latest tells of a marriage gone stale after ten years, and how the arrival of girl named Lola peps it up. Of course, it's worth noting that Lola is the step-daughter of the frustrated wife of the piece, Lisa, so you know exactly what ground we're treading on here. Lola is played by Lucie, veteran of many a *Club* issue, which is one good reason for watching. Another is that this is intelligent, well-filmed porn. ★★★★

WEAR IT'S AT... CLOBBER!

WRITING: DAN GREENPEACE (twitter.com/dangreenpeace)

Club's fashion don Greenpeace informs us that's not an Apache Indian tour shirt...

You know, I've been penning this column for nearly one year and still haven't received one single complimentary copy, so I decided to Google Sasha to see what other kinds of modelling she does. Blimey, I never knew she takes ALL her clothes off. I thought she just got a bit risque for *Clobber*. I even saw her do a wee on another lady. Wow, she's gone up in my estimation. I urge you do the same and familiarise yourself with her back catalogue.

So, this month Sasha kindly sported one of

my favourite pieces from supremo skate brand Supreme. I reckon the reference to Apache is a nod to the classic cover of The Shadows song of the same name by Michael Viner's Incredible Bongo band. Another one for your Google 'to do' list. If you're going to run a street label, then a nod to the granddaddy of Hip-Hop samples is a must at some point. So top marks for that. Also top marks for the colour variety, it came in six colourways. Here we see Sasha in the classic grey sweat variety and this was one of those mid-season releases by Supreme so be quick (£90.00 *www.hideoutstore.com*).

So, as Supreme get set to release their Spring/Summer 2011 range, friend of Supreme and esteemed photographer Terry Richardson recently did a shoot with downtown pop songstress Lady Ga Ga. Once again, an example of genius marketing and it's not what you know but who you know. Select photo's from the shoot were quickly seen around New York City using Supreme's trademark

> **"New Balance have gone from a marathon must have to a wardrobe staple"**

approach to flyposting. This is probably the most credible thing Ga Ga will ever do so don't get used to it, but hey, don't hate the player, hate the game. Rumour has it that Supreme will be opening a flagship London store very soon and if I don't get a personal invite to the opening with an in perpetuity discount of 50% I will be most offended.

We have another music related item on this month's shopping list. Adidas have given another nod to one of their favourite artists, Stone Roses frontman Ian Brown. It's not the first time they've done this and we're not a fan of blatant nepotistic recycling, but this shoe really hits the mark. In a faultless all black mixed with 'fools' gold (sorry) colourway you should buy one pair for posterity and once for everyday use (£TBC *www.size.co.uk*).

Finally, in our music related column this month, hats off to the Spitalfield's staple clothing outlet AllSaints for not only their timeless garms but a new web feature that's simply unmissable. Enlisting musical stalwart Christopher Tubbs to interview the most new artists and pioneers alike was an inspired move as part of their 'Basement Sessions' (pictured). Catch all these incredible sessions and interviews at *www.allsaints.com/music*. ♣

DIRTY DEN! ♣

Okay, she's not that dirty...

When we told Denise we were billing her as 'Dirty Den' in *Club*, she was up in arms.

"You can't say that, I've got a reputation to protect," she protested. "I'm not all that dirty, in fact, I'm quite innocent. Very innocent!"

Okay, let's weigh up the facts. Firstly, you're appearing in the world's classiest scud mag showing people your pink bits. Secondly, moments before these photos were taken, we caught you sucking off a bloke you'd just met in the lift. Third, you told the photographer's assistant your dream is to be a porn star known for anal sex, DP's and blow-bangs. Fourth, well, we can just tell.

"Busted, I suppose," Denise concedes. "But the porn thing is just a dream, I haven't even started yet. And these photos are classy."

And the blowjob?

"Actually, I should come clean. After I'd finished sucking that guy in the lift's cock, I sucked his friend off too..." ♣

DENISA

What our well-placed moles are telling us this month...

DOWN THE WIRE

Something Verboten In Denmark

The nativist Danish People's Party are causing a right old stir with plans in the pipeline to produce an anti-immigration movie showcasing bare-breasted women sunbathing and playing sensuously with their jugs in Copenhagen as a ploy to steer religious fundamentalists from any thought of settling in 'dirty and depraved' Denmark.

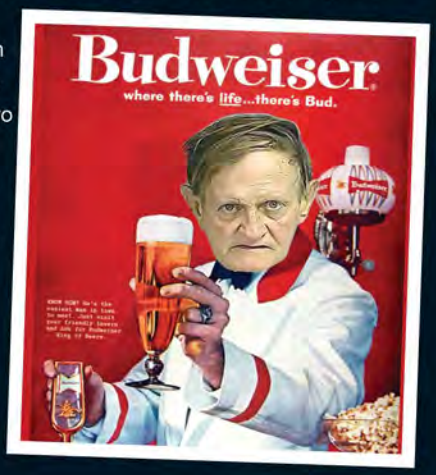
Meantime, far to the south, in sunny Spain, the Socialist Party in the country's Catalonia region recently offered a bizarre election video promoting the supposed joys of voting. The video, released nationally, shows an attractive, increasingly sexually excited woman building to an orgasm as she fills out her ballot paper, and coming off hard at the moment she drops it into the slot.

Some sizzling Danish bacon!

In The Country Of The Blind-Drunk, The One-Eyed Man Is Jailed

In a recent super-seedy incident in the vicinity of Orlando, Florida, ghastly former Ku Klux Klan 'Cyclops' George Hixon, now aged 73, his 45-year-old son Troy, and Troy's girlfriend became embroiled in an undignified brawl which culminated in Troy's allegedly firing the gun at his beloved's feet and the subsequent arrests of the two white trash scrappers.

Osceola County deputies told reporters that the altercation was precipitated by the girlfriend's anger at having been palmed off with the 'cheap beer' while the big shot men kept the Budweiser ('good beer') for their own consumption.



Strippers Turn Tables On Disgusted Church-Goers

Each and every weekend for the past four years, The Fox Hole strip club in Newcastle, Ohio, has come under attack from members of the New Beginnings Ministries church in nearby Warsaw, who have gathered in front of the premises and tried to shame customers by photographing them, shouting, waving signs threatening hellfire, and posting their cars' license plate numbers on the Web.

Recently, however, the Fox Hole's strippers have started to fight back, confronting the protesters in precisely the same fashion and congregating each Sunday in front of the New Beginnings church, wearing bikinis and transparent shorts, squirting each other with jumbo water guns and dancing salaciously, while brandishing their own Bible-quoting signs to harass the worshippers.

Political Suicide

Milwaukee Assembly candidate Leshuh Griffin has caused ructions with the five-word Wisconsin law permits independent candidates to display beside their names on the ballot, in the same way as candidates for the two main parties display the words Republican and Democrat. Ms Griffin, who is black, is in very hot water politically, having recently been ruled to have gone too far with her five-word statement: "NOT the 'whiteman's bitch'".

Ms Griffin said all the negative media coverage her little slogan had attracted quite baffled her since "everyone" she had spoken with since the ballot understood exactly what she meant by it.

Protecting Kids From Nutters With Plans To Protect Kids

California gubernatorial candidate Douglas Hughes has put forward a remarkable plan to solve the state's child-molestation problem. He suggests developing an island 30 miles off the Santa Barbara coast and using it to contain the state's paedophiles who would, according to *The Daily Caller* newspaper, "write their own constitution, build their own infrastructure and maintain a society."

Apparently, Mr Hughes thinks this crackpot scheme to create an offshore society designed for and operated by kiddy-messers may give him the edge in the race to become the state's governor. As yet NAMBLA, the North American Man Boy Love Association, has been silent as regards the daring project, but child molestation experts believe that if Hughes is elected governor and the so-called 'Paedophile Island' plan is realised, even members of NAMBLA who have not been convicted of child sex crimes will be bouncing over the waves to the Kiddie Messers' Utopia in speedboats pronto. ♣
